Game introduction

[Game content]

The wild Western is the heaven to cowboys. They wave the ropes in their hands and throw to the running calf. You will be awarded if you trap the calf.

[Game method]

You can insert 3 coins totally. The compensation ratio changes based on the coin number with the rope number correspondingly increasing.

Press the trapping button to trap the calf when it runs.

Win! Trap 3 calves.

Lose! The calf slides away

The calf you trap can be converted into awards. (Highest for 73 coins)
