

## Stage Racing (L) (S)

### Detailed Product Description

It is a new hot game machine and has stunning graphics and a lively attracted mode. It can be hung with MP4, mobile phone, CD player or other valuable prizes, such as cloth, handbag, big toy to attract diverse person, and it can be put in front of the shopping center, in the hotel, in the cinema, etc. What a funny game with its absorbing prize, it will surely become a shining star in amusement circle.

The game machine will appeal to many people. Once trying it, quickly you will get to know that this machine is a test of quick stop skill; everyone will enjoy becoming the first person to finally reach the top.

It is very easy to learn and play. As all that the players have to do is to pile up the blocks to reach the top from the bottom; however the tricky part is for each pile, the speed becomes just a little faster, one block off the pile and the rest become crushing down.

The payouts include minor prize and major prize, which can attract different players. Once the players reach the minor prize level, they will choose between to get a minor prize or to continue to play on for the major prize; almost all of the players will try to the major prize level.
